Doha, Qatar, 19 September 2024

Bureau Veritas Celebrates 40 Years in Qatar: A Longstanding Commitment to Growth and Transformation

Bureau Veritas, a world leader in testing, inspection and certification, is proud to announce the celebration of 40 years of partnership in Qatar. This significant milestone was honored with an anniversary ceremony in Doha.

As Qatar continues its ambitious journey to its National Vision 2030, which seeks to create a diversified, sustainable, and knowledge-based economy, Bureau Veritas remains committed to providing the expertise, technology, and innovative solutions needed to achieve these goals. Bureau Veritas' LEAP I 28 Strategy is perfectly aligned with National Vision 2030, focusing on sustainability, digital transformation, and workforce development.

Since its establishment in Qatar in the early 1980s, Bureau Veritas has supported its customers in Qatar and become a trusted partner across the nation's most critical sectors - from energy to infrastructure. Today, Bureau Veritas has a growing presence in Qatar with over 600 experts, both local and international, in three facilities.

To celebrate this important milestone, Bureau Veritas' Group CEO, Ms. Hinda Gharbi attended the anniversary ceremony in Doha, where she reflected on the 40-year journey of collaboration and trust between Bureau Veritas, its valued clients and partners in Qatar.

Hinda Gharbi, CEO of Bureau Veritas, commented:

"We are proud to celebrate four decades of presence in Qatar and we thank our clients, partners and the community for their trust and support. I would also like to thank our local teams, whose expertise and commitment have been instrumental in our success here."

About Bureau Veritas

Bureau Veritas is a world leader in laboratory testing, inspection and certification services. Created in 1828, the Group has circa 84,000 employees located in nearly 1,600 offices and laboratories around the globe. Bureau Veritas helps its 400,000 clients improve their performance by offering services and innovative solutions to ensure that their assets, products, infrastructure and processes meet standards and regulations in terms of quality, health and safety, environmental protection and social responsibility.
