- Bureau Veritas Solutions offers **custom made courses** for Companies, if they wish, either in-house or remotely through a suitable web training platform.
- Tailor making of courses will require a 10 working days margin on average and involvement of Company personnel for step evaluation and final acceptance.
- Bureau Veritas Solutions Dubai is offering design, evaluation and conduction of pilot courses for **bridge and liquid cargo simulators**, with innovative design of exercises which are presented for proof reading to responsible Company personnel before conduction.
- Simulator time both for design and implementation of the courses will be on Company account.
